## Note:

1. Money raised by this event is distributed to charitable causes nominated by the individual participants and the organising committee. Whilst every effort is made to comply with rider requests, we cannot guarantee that every nomination will receive a donation, normally in the cases where a donation would be below £50 or where the beneficiary nominated does not fall within the

legal definition of a charity.

2. All participants enter this event at their OWN RISK and accept that the organisers have no legal liability in any regard.

3. The event is NOT a race and, whilst trophies are awarded, our basic philosophy is to help others whilst having fun. Riders are assisted by a number of support vehicles and their crew and are encouraged to travel at their own comfortable pace.

4. \*GIFT AID - We, who have given our names and addresses above and who have ticked the box entitled Gift Aid, want the nominated charity, where appropriate, to reclaim tax on the donation detailed above. We understand that each of us must pay Income Tax or Capital Gains tax equal to the tax reclaimed by the charity on the donation.
