Day 1 - St Malo to St Brieuc

After leaving the ferry and after passport control take a sharp right before the roundabout uphill into a car park. Place your overnight bag in the luggage van (you may have to wait for it to disembark the ferry) Today's check-in point is in Le Guildo at 13.5 miles.
This is a relatively short day and we are leaving the ferry quite early, so we recommend that riders visit the old town for breakfast before leaving the city.
To go to the old town: Exit the port to the roundabout and take the 4 th exit sign Intra Muros (inside the walls). Go over the bridge. Bear right and take the 1 st exit with the walled old town on the left. Go straight over the next mini roundabout (0.6). Porte St Vincent is on your left and enter this gate and find one of the many cafes, such as Café de l'Ouest. Afterwards, return to the roundabout at the entrance to the port.
